# 'It's All about Flight!'

On Tuesday 17 March the Royal Air Force Museum Cosford is holding an event for Home Educated children aged 7 years and over based on the 'theory of flight'.

(Please note this event is the same as the one held in September 2014 and is for those children who could not attend on this day.)

**How do  
aeroplanes  
slow down?**

How do  
aeroplanes take  
off?

What forces make  
aeroplanes fly?

If you would like to find out the answers to these questions then don't miss out – see [www.rafmuseum.org/learningevents](http://www.rafmuseum.org/learningevents) for how to book.
