Research Programme

The Royal Air Force Museum tells the story of the RAF through its people and collections

The Trenchard Lectures in Air Power Studies

Delivered by emerging and established researchers, these lectures explore a variety of air power related topics ranging from historical themes to contemporary issues.

These lectures are held in conjunction with the Royal Aeronautical Society and the University of Wolverhampton.

The First World War in the Air Lunchtime Lectures

Delivered by emerging and established researchers, these lunchtime lectures explore key events and air power developments from the First World War.

These lectures are presented as part of our HLF-funded exhibition, the 'First World War in the Air'
