

The Royal Air Force Museum has reviewed its current holdings in the Helicopter Collection. A comprehensive review was conducted by representatives from the following departments:

- Curatorial
- Collections Management
- Access, Learning and Development
- Visitor Services

Following the review, the following objects were selected for disposal by gift, with preference given to Accredited museums:

Collection	Object No	Title or Object Name	Object Classification	Reason for Disposal
Aircraft & Exhibits	68/A/689	Bristol Sycamore HR. 14	Helicopter	Duplication
Aircraft & Exhibits	84/A/1176	Saro Skeeter AOP.12	Helicopter	Relevance

Further information can be provided on request. Expressions of interest should be received by 30th November 2014. Further information can be provided on request.
