

Aeronauts Fun Sheet – Which Interactive?

Having trouble deciding which interactive to try out?
 Use this 'Fortune Teller' to help you decide.
 Cut along the dotted lines. Fold backwards along lines 1, 2, 3, 4. Fold forwards along lines 5, 6, 7, and 8. Then fold in half to finish you 'Fortune Teller'.
 To use your 'Fortune Teller': pick a plane, spell it out, then pick a number, count it out, pick another number, lift the flap and follow the instructions.

 <p>LANCASTER</p>	<p>Option 5</p>	<p>Option 6</p>	 <p>SPITFIRE</p>
<p>Option 4</p> <p>To be a good pilot you need good eyesight.</p> <p>How good is your eyesight? Use the Interactives relating to sight to find out.</p>	<p>Circuit table</p> <p>Can you make The light go on?</p>	<p>Try the Hang Glider!</p> <p>Lie on the panel and hold on to the bar. The Hang Glider does not have an engine but can still fly.</p>	<p>Option 7</p> <p>How good are your reactions? Try the Reaction Rod.</p> <p>Get someone to hold the rod up and be ready to catch it when they let go.</p>
<p>Option 3</p> <p>Take a spin on the Ball Bearing</p> <p>Is it easier to spin with or without the balls inside?</p>	<p>Option 2</p>	<p>Ping Pong Wing</p> <p>How do aeroplanes fly? See how the wing shape helps create lift.</p>	<p>Option 8</p>
 <p>HURRICANE</p>	<p>Option 1</p>	<p>Air is Stuff!</p> <p>Air is all around us however, we can not see Air but we can see its effects.</p>	 <p>WELLINGTON</p>
