

KS1

# Learning @ Home Lockdown Literacy

## Theme of the Week - Teamwork

### Activity 1 - Think

Look at the painting of the [Red Arrows planes](#)  
Who is in the painting and what are they doing?  
Why are they doing it?  
How do they all know what to do at the same time?  
Have you seen them before?  
Write a sentence about the painting.

### Activity 2 - Explore

Watch a video of [the Red Arrows team](#) in action. What WOW words would you use to describe the team and what they do?

# Learning @ Home

## Lockdown Literacy

### Activity 3 - Create

The leader of the Red Arrows team is called 'Red One'. Make up a story in which you are 'Red One'. What instructions would you give? What adventures might you have? You could write the story, tell it to someone, record it, act it out or even make it in to a puppet show!

### Activity 4 - Do

Sit back to back with someone (or you could do this on a video call). One person has pencil and paper, and the other person has an object or picture. They must describe this object or picture without saying what it is and the person with the paper has to draw it.

Well done!
