Theme of the Week - Teamwork

Activity 1 - Think

Watch the video about how the RAF worked as a team with a local community to repair roads by clicking this link:

<https://www.rafstories.org/story/raf-wp-5201#>

Think about who showed teamwork in the video?

Why did they work in a team?

Can you think of an example when you have been in a team?

What makes a good team?

Activity 2 - Explore

Find other examples of teamwork in the RAF by going to the RAF Stories website.

<https://www.rafstories.org/stories/search?fulltext=teamwork#>

Choose some favourite examples. In Activity 3 you may need to use one of them so take a note of words that could be useful or that you do not understand.

Activity 3 - Create

Choose your favourite story about teamwork in the RAF or a time that you have been a member of a good team. Make a news report about your chosen story. You can write it for a newspaper or record it using audio or video.

You will need:

- A snappy headline to get the attention of your audience
- To come up with 1 or 2 sentences that will give a brief outline of the story to introduce your report
- To use your own style of reporting and tell the story in an interesting but factual way.

Share it with your friends.

Activity 4 - Do

Blind Drawing Teamwork Challenge

The aim of this activity is to push you to trust and listen to one another, essential for working as a team.

In pairs sit back to back. One with a pencil and a piece of paper, and the other with an object or picture. The team member with the picture/object must instruct their teammate to draw what's in their hands without saying what it is. They **can** describe its properties, colour, shape, materials etc.

You can do this activity virtually with a friend or family member on a platform like Zoom, just make sure you don't show them the object or picture!

Well done!
