

# Sketching at the Museum KS3/4/5

## Annotation

Annotation – Adding key written information to your sketches that records and communicates your ideas.

- Can be used for your own reference, to record observations and ideas for use in future work
- Can be used as a way of communicating your thoughts and ideas to someone else e.g. your teacher or an examiner.

## Record your observations

- The subject you have chosen to draw
- Size/scale
- Colours
- Materials
- Texture

## Record your thoughts and ideas

- Why you chose your subject
- What you were thinking about as you drew
- Conversations you had about your subject/drawing
- Why you chose certain techniques/what else you could try

If you are drawing from another artwork, notes on the artists style and techniques.

Use art terms and vocabulary.
