Food and drink

There is a café in Hangar 1 (H1) which serves hot and cold drinks, sandwiches and cakes. This café is open on weekends and during school holidays. We also have the **Hendon Kitchen** which serves a range of food and drinks.

You can bring a packed lunch which you can eat in the **indoor picnic area** in Hangar 4, although this area can get very busy and is often noisy. If the weather is nice you can eat at the **outdoor picnic area** which can be found on the grassy space in the middle of the Museum site. Food and drink may not be consumed in the rest of the Museum.
