## STAAR 2024: APPLICATION FORM GUIDE

I am a parent/ guardian with a child interested in taking part in STAAR

Approach child's teacher, school representative or organisation leader and ask them to support with an application

Provide parental permission for the application

Encourage child to complete the personal statement and share it with the person supporting their application

SINNIER TIME ADVANCED

\*\*TEROSPACE RESIDENCE\*\*

I am a Teacher with a student who may be interested in taking part in STAAR

Discuss taking part in STAAR 2024 with the student and their parent/guardian

Obtain parental permission to submit the application

Complete application form in conjunction with student

Ensure student completes their personal statement and that this is submitted in the application

Complete teacher supporting statement

Submit completed application form

I am a Year 9 student interested in taking part in STAAR

Speak to your parent/guardian, and together, talk to a teacher, school represenative or organisation leader about supporting your application

Complete your personal statement. The STAAR programme receives a high number of applications, so give it your best shot!

Complete your application form with your teacher, school representative or organisation leader

\*Please note, progress cannot be saved on the application form. Please make sure that you have all the information that you need readily available before you populate the form. This includes the teacher and student personal statements: we recommend using a word processing software such as Microsoft Word to write your statements before pasting in your final versions.
