Hart

Rearrange the leftover letters to spell out the name of a biplane (7,7) _____

Extra challenge – write out all of these aeroplanes in alphabetical order

Now create your own word search!

Put these **Second World War** words in to the word search grid above. They can go forwards, backwards, up or down. Once you have all of the words in the grid, you will need to fill up the empty spaces with random letters. When you have finished, challenge someone to find all of the words in your word search.

Gas mask
Shelter
Bomber
Fighter
Ration

Evacuee
Warden
Siren
Blackout
Air Raid
