

Junk Modelling Challenge

WIN a prize bundle worth over £75

Take part in the junk modelling challenge and create your own aircraft using recyclable materials. The best design will win a prize bundle worth over £75 from the RAF Museum Shop. Plus, our friends at RAF Youth & STEM team are providing RAF goody bags for 10 runners up.

To be in with a chance of winning all you need to do is post a photo of your completed model aircraft in the comments below, or tag us @rafmuseum. Competition closes on Thursday 14 May and winners will be announced on Friday 15 May.

Good luck and happy modelling!
