Exhibitions

Hangar 1

RAF Stories, The First 100 Years

Discover how the Royal Air Force has delivered missions in its first 100 years. Stories, objects, film and games reveal its extraordinary people, innovative technologies, global alliances and partnerships.

RAF – First to the Future

Explore the stories of the people, equipment, partnerships and innovations that keep the RAF at the leading edge of Air and Space Power.

Hangar 2

The First World War in the Air

The story unfolds from the earliest days of flight here on the site of The London Aerodrome, through four years of World War to the formation of the Royal Air Force in 1918.

Hangars 3,4,5

War in the Air 1918–1980

On 1 April 2018, the Royal Air Force marked its 100th anniversary. In a relatively short lifespan it has become woven into the history of the UK and the world. Discover the aircraft and stories of the Battle of Britain alongside extraordinary bombers, seaplanes, trainers and helicopters.

Hangar 6

The RAF in an Age of Uncertainty

Recent decades have seen huge and rapid political, economic and technological change. Hear from RAF personnel who have served during this period of change and see how the RAF has adapted its strategy and technology to protect the UK 24/7.
