

# Create your own Remembrance Poppy

The RAF Museums in Cosford and London would like to create a Virtual Remembrance Display with hundreds of poppies at our Museums.

Make your own poppy using materials you have at home and the template below. You can cut, colour, knit, crochet, or create your own poppy from wood or metal – be creative!

If you would like to write a personal message to remember those who have lost their lives in conflict, please include this.

Once you have completed your poppy, take a photo in landscape, and send it to: [Remembrance@rafmuseum.org](mailto:Remembrance@rafmuseum.org). Alternatively, you can send your image or poppy via post to **RAF Museum Remembrance, Grahame Park Way, London NW9 5LL**. You will be able to see the display when visiting either Museum during the week of Remembrance.
