

30<sup>th</sup> March 2012

## Model madness at Cosford this weekend

1<sup>st</sup> April 2012

10.00am – 4.00pm

FREE entry

**This weekend modellers from across the Midlands will be descending on the Royal Air Force Museum Cosford for the annual 'Shropshire Model Show'. More than 80 clubs will be exhibiting intricately detailed models and the show will boast over 40 traders selling a range of modelling materials and kits. With the fantastic weather continuing into the weekend, the Museum is anticipating its busiest day of the year so far. To make reaching the Museum even easier it has introduced for the day a free park and ride system to cope with the additional visitors.**

The show will be open to the public from 10am. Nestled amongst the aircraft in the Museum hangars models on display will include aircraft, cars, bikes, trucks, Dr Who and Star Wars figures and many other science fiction related items.

Thousands of modellers are expected to attend the show in search of plastic kits in various sizes along with glues, paints and other detailed sets, as well as taking inspiration from the thousands of models on display. There will also be a number of craft stalls for the ladies selling hand-made cards, handbags and jewellery.

The show is open from 10am to 4pm. The free park and ride service will be signposted on the approach to the Museum and will run continually throughout the day. For further information, please call the Royal Air Force Museum Cosford on 01902 376200 or visit the Museum website at [www.rafmuseum.org](http://www.rafmuseum.org).
